# About Our Gala

Women Building Wealth Globally proudly presents our Annual Gala & Silent Auction — an evening of power, purpose, and progress!

The WBWG Conference/Gala is an annual celebration hosted by Women Building Wealth Globally. Bringing together leaders, supporters, and community advocates to honor the impact of our work and raise crucial funds for our ongoing mission. This elegant evening features a formal dinner, live entertainment, a silent auction, and special recognition of those who support our cause.

Celebrate the strength, ambition, and resilience of women worldwide as we come together to uplift, inspire, and invest in a future where financial independence is within every woman's reach.

This is more than a gala — it's a movement. It's an opportunity to connect with trailblazers, game-changers, and visionaries committed to redefining wealth, success, and leadership.
