BUILDER BRUNCH TESTIMONY

I had the pleasure of being a sponsor for one of the realtor brunches and it was awesome. It was a lot of fun and a great way to bring realtors together. Excellent opportunity to have other realtors showcase our model with potential clients. I am a realtor and met so many others I didn't know. It is also a great way to meet other small business owners. Keep up the great work. I hope to attend another event in the future.
